

Walton County Athletic League “Sponsor a Child“

Each year it cost more and more to maintain the equipment and supplies needed to run a prosperous league.

Your sponsorship is needed and will help to offset the cost of the closing ceremony and trophy that will be presented to the child you sponsor. Cost of this sponsorship is only \$25.00.

With your small contribution the children of the WCAL will be able to have the closing ceremony that they deserve for all the hard work and effort that they will give during the football and cheerleading season.

With your donation please complete the attached football or megaphone with your name or business and the child’s name you are sponsoring for display at the WCAL concession stand inside and out.

Thank you,

Joy Mitchem
WCAL President
