Dear Local Business:

2....4...6...8...WHO DO WE APPRECIATE? Your support! Yes, it's Football and Cheerleading time!

As part of the Walton County Athletic League I am very enthusiastic about the next few months. It is always exciting to see the number of boys and girls gearing up to participate in football and cheerleading. From the first practice to the first game, it is truly amazing to see not only the dedication that each of these youth have but also the heart they put into it.

We are dedicated to providing each of these youth with proper equipment and facilities. We are a non-profit organization and currently have approximately 200 children that participate in our league. Within a community there is support one to another to assure that it stays successful and prosperous: by contributing, you will show that you support our future adults. This act of kindness will return to you with patrons from this event. In return we are committed to advertising your sponsorship via signs at all of our home games and announcements prior to the start of the game. When our guests hear the announcement of your sponsorship they will know that your business is a thriving part of this community. We'd like to kindheartedly thank you in advance for your support and encouragement to our cause.

If you are interested in sponsoring a team with the cost of **\$600.00** or knowing more please contact me at (850) 892-4065 or feel free to complete the form below and return to the above address Attn: Joy Holland with your contribution. This contribution is tax deductible and a receipt will be returned to you.

Sincerely,

Joy Holland  
WCAL President
